JOHN DREW SHOWALTER
FULL STACK WEB DEV & ENGINEER

gtechshowalter@gmail.com || 0452-074-582 || http://one19.github.io/Profile/

Hi! I'm an ex-aerospace engineer, expat from America. I've moved to Australia to become a full stack web developer, and I couldn't be happier with my choice. I have a passion for all things tech, and I'm looking to jumpstart my new career, and continue learning better ways to do what I love.

EXPERIENCE

April 2013 - March 2015
Production Manager and Engineer.
MillenniTek LLC: Knoxville, TN, USA.

-Managed a Team of 15 production workers
-Handled all design and drafting of parts.
-Collaborated on product development.

January 2009 - August 2009
Aerospace Research
Georgia Tech: Atlanta, GA, USA.

-Worked in small team collaborations on the Darpa Heliplane and Boeing more-Electric aircraft to solve computational fluid dynamics problems, and perform system-of-systems analysis.

EDUCATION

2015
Web Development Immersive.
General Assembly: Sydney, AU.

- Full Stack Web Development.

2011
Bachelors of Science in Aerospace Engineering
Georgia Instititute of Technology.
Guggenheim College of Aerospace Engineering:
Atlanta, USA.

- Recieved the Georgia Tech Tennessee Alumni Association Scholarship.
